The State did not and does not consent to the extension of any deadlines in federal court. The State believes that defendants improperly removed this action and will be moving to remand the action to Multnomah County Circuit Court.

Hi Keil-

Thank you for sending over the Acceptance of Service. It is acceptable and I will sign and return it today. In addition, thank you for agreeing to a 60-day extension to the deadline for a response to the Complaint. Per our email exchange, we agree that this extension to the response deadline does not affect any deadline for removal. Absent or after such removal, we calculate from service today that a response to the Complaint would be due August 1, 2025.

Thanks again for your professional courtesy.

Tim

**Subject:** RE: State of Oregon v. Coinbase - Acceptance of Service

Hi Tim,

We have prepared the attached form of acceptance of service. If this form is agreeable to you and your clients, please sign and return so that we may file it with the Court.

The State will agree to a 60-day extension of the time for Defendants to file their response to the State's complaint if Defendants accept service by the end of next week. We generally will accommodate reasonable requests for extensions whenever possible on the understanding that you will extend the same courtesy to us.

In an abundance of caution and to avoid any doubt, I note that the State's agreement to extend Defendants' response deadline does not extend the time to file a notice of removal.

Best.

Hi Keil-

Thanks for sending this over. Can you send us a form of acceptance of service to review?

Separately, we will need an extension to respond to the Complaint, and would propose an additional 60 days from when a response would otherwise be due. Please let me know if that is acceptable to the State.

Thanks.

Tim
